

Advanced Computer Systems Architecture

Chip-Multiprocessors: Applications and Architectures

CSE 526M

Prof. Patrick Crowley

Plan for Today

- Announcements
 - Commentaries
 - Milestone reports
- Questions
- Project group meetings

Question

1. Did you meet milestone 1?
 - a. If yes, congratulations!
 - b. If not, why not? How can you avoid this in the future?
2. Are you ready to tackle milestone 2?
 - a. Have you written it down?
 - b. Do you foresee problems?
3. Are you on track to complete the project?
 - a. Do you need to adjust scope, or work habits?
